**BUFFALO WORLD TRADE ASSOCIATION
HOSTS ANNUAL DINNER CRUISE MEETING**

Buffalo, NY -- August 31, 2007 -- Mark your calendar to sail with the Buffalo World Trade Association for their annual Dinner Cruise on Thursday, September 6, 2007 at 6:00pm. It's the BWTA's favorite annual meeting for members and non-members aboard the Miss Buffalo II docked at the Erie Basin Marina.

The Buffalo World Trade Association is the Premier International Networking Opportunity for Western New York. "One of our goals is to provide a setting to meet and mingle with a variety of people in the local international trade community," stated David Nojaim, President. "This particular meeting offers fine dining and the ambiance to promote networking, learning and sharing of common interest with the business of international trade."

The BWTA dinner boat will cruise the mighty Niagara River which separates Buffalo, NY from Ft. Erie, Canada – one of the major portals between the United States and Canada.
